

DEFERRAL APPLICATION
TO WHOMSOEVER IT MAY CONCERN

Date: 02/10/2023

Address: Unit #16, 10 Lightbeam Terrace, Brampton, ON

I am the applicant for the minor variance application A-2023-0282. I understand based on the email received Megan Fernandes on Sept. 25, 2023 that this application cannot be supported by the city staff in the current situation. However, we want to work with city staff and make the required changes to the application so that it will be in a condition to be supported by the city staff. I request you to defer our application hearing for the next hearing date instead of our current hearing date i.e Oct. 03, 2023.

Should you require any other information please feel free to contact me.

Thank you

Regards,

Chetan Dalal
