Dear City Staff,

I hope this letter finds you well. I am writing to express my deep concern regarding the the ongoing traffic situation and illegal activities at 11462 Coleraine Dr Brampton.

The brampton east area is lacking in the infrastructure needs as we see the roads are packed with illegal trucks on the No Truck Route.

We are really concern and worried about our safety as these roads are not built to handle this kind of illegal traffic.

We have sent many complaints to the city and we see no action.

Does anyone really care of the community in east brampton or the Mayor and Council is waiting for more accidents to happen and someone to get badly injured or more....

Sincerely
Satyen
