Dear Mayor and City Council, I am writing to express my strong opposition to this temporary zoning amendment proposal. First and foremost, the increased traffic congestion in our neighborhood is causing not only inconvenience but also safety concerns. The reckless speeding and disregard for traffic regulations have become a daily occurrence, posing a significant risk to the community, especially children and the elderly. We fear for the safety of our families and neighbors due to this escalating problem. Our neighborhood is a wonderful place to live, and I believe that with the City Council's assistance, we can preserve and enhance its appeal for current and future residents. I kindly request that you consider our concerns seriously and take the necessary steps to rectify these issues promptly. Thank you for your attention to this matter, and I look forward to seeing positive changes in our neighborhood's traffic and zoning enforcement.

Sincerely,  
Rubal
