

Strategic Framework:

TERM OF COUNCIL STRATEGIC PRIORITIES 2022 - 2026

- Strategic Plan provides structure to prioritize and deliver what is most important to the community. Shared priorities of City Council over their term
- Six strategic directions, including “Environmental Resilience & Sustainability”
- Council will direct budget and staffing resources to these priorities in order to achieve impact/outcomes within this term.
- The draft Strategic Plan will be shared during the City’s 2024 Budget public review process.

Environmental Resilience & Sustainability

We are focused on nurturing and protecting our environment for a sustainable future

- Increase Parkland, Trees and Naturalized Areas
- Enhance Energy and Climate Resilience
- Foster Community Environmental Stewardship
