Subject Matter to be Discussed:

City staff is asking council for funding to sole source the purchase of two electric fire trucks (\$5.4M) on the basis that "the Rosenbauer RT is the only fully electric fire truck on the market that is able to meet current firefighting standards" (www.insauga.com). However, there are other options and suppliers of fully electric fire trucks on the market which can and should be considered via tender.

Action Requested:

City Council should reject the approval of this sole source request and require city Staff to either: (a) follow a tendering process for this purchase or (b) provide further analysis to justify why a tendering process cannot be followed and provide City Council the opportunity to review this analysis. This is necessary to ensure an efficient, cost-effective procurement process that is fair, open & transparent.
