Att. Chairman and Planning Committee members

Please note that as a Director and resident of the Fitzpatrick and Area Residential Association, that we strongly object to any changes in our Residential Estate Lots.

Please note that this area is old and unique and is within the local Conservation area therefore it is a must that it be maintained and supported the way presently is.

Please note that this is supported by more than 95% of the Residents that have signed a petition more than once, including the last one in July 2023.

Please support us.
