### **To Whom It May Concern**

My name is Reuben Joseph James, and I am a resident/owner of 34 Piccolo Wood. Recently me and my wife Preeti Sara Varghese received the letter regarding the Minor Variance Application at 32 Piccolo Wood (Applic. # A-2023-0209, Ward 8) and would like to communicate regarding the same.

In my opinion, this permit application should not be approved as it could cause potential conflict amongst neighbors due to parking issues and other issues such as neighborhood cleanliness.

Bylaws are in place to maintain order and if they get approval other residents could take a similar approach which could have a huge impact on our neighborhood wherein it could deteriorate from the standards of a residential dwelling neighborhood.

Regards,

Reuben & Preeti
