To whom it may concern,

I am writing this e-mail in regards to the application made by the owners of 24 Nomad Crescent to widen their driveway.

We do not agree with allowing this variation to occur. We live directly across from this property and would prefer not to see a parking lot when we look out of our windows.

There are few properties on our street that have curb appeal. Our home is one of few homes that show pride of ownership. We maintain green grass, pull our weeds, plant flowers and pick up litter when we see it in the neighborhood.

24 Nomad crescent currently has too many renters living at the property, which in our opinion, should not be allowed either. If the current bylaw is in place, that bylaw should be followed. It should not be changed to accommodate property owners who want to use their homes as a business (for multiple rental incomes.)

Thank you for considering this e-mail.
Elizabeth Rosati-Costa and Bruno Costa
