Dear Ms. Vani:

**RE: DEFERRAL REQUEST
1577 MAYFEILD ROAD, BRAMPTON
MHBC FILE: 21416A
CITY FILE: A-2022-0181**

On behalf of our client, JT Developers, the owner 11953 Creditview Road and 1577 Mayfield Road (the 'Subject Lands'), we kindly request that Minor Variance Application A-2022-0181 be deferred.

To support the Site Plan Application, an application for a minor variance was submitted in May of 2022. The proposed variance requested to amend *Section 2454.2.11* of the City of Brampton Zoning By-law 266-2013, to permit a minimum of two stacking spaces per financial institution drive thru, whereas the by-law required a minimum of four stacking spaces per financial institution. This application was held, as changes were anticipated to the concept plan.

Since then, the development concept for the Subject Lands has evolved. A Site Plan resubmission was made on July 19th, 2023 that included a revised development concept. The proposed development has 11,655 m² of commercial GFA, a coverage of 29.91%, an FSI of 0.30, and provides 473 parking spaces, and six loading spaces. Based on these changes, the proposed development is deficient in both required parking supply, as well as required stacking spaces.

Further to this, additional changes are anticipated based on recently received staff comments. The deferral is requested to allow our team additional time to ensure all variances required have been captured and accurately represent the proposed site plan.

We look forward to the above noted variances being scheduled on the November 14, 2023 Committee of Adjustment agenda.

Thank you.

Yours Truly,
MHBC
