

# National Respiratory Therapy Week

---

OCTOBER 22-29, 2023

6 Colleges across Ontario  
Respiratory Therapy 3-year Program  
Advanced Diploma

## RTs work in Hospitals

Providing breathing support in ICU, Emergency Rooms, Operating rooms and many other areas.

## RTs work in community and primary care

RTs offer safe and effective care to patients, often in their homes, helping them manage chronic lung disease, reducing hospital readmissions and enhancing recovery rates.

# William Osler Health System Respiratory Therapists

*To Know that even one life  
breathed easier because you have  
lived, that is to have succeeded”*

*Ralph Waldo Emerson*
