

Dear Mayor of the City of Brampton

2 Wellington, Ontario

Canada

With reference to the contact we had with the Minister Michael Tibollo, we would be glad to start a procedure of understanding for a possible twinning between the City of Brampton and the City of Fiuggi.

Ours is a thermal tourist town, known for its mineral waters and for the innumerable artistic and cultural activities.

After the City of Rome, we have the largest number of hotel sleeping accommodations in the Lazio Region.

If, as I hope, you want to join the project, it will be my care to put you in touch with our Mayor, avv. Alioska Baccarini.

I look forward to hearing from you soon.

Kind regards,

The delegate of the Municipality of Fiuggi Dr. Stefano Giorgilli
