As per the client Acharya Rishiramji's suggestion, we are withdrawing the Committee of Adjustment Application A-2023-0154 in regards to 11575 Dixie Road.

As per Acharya Rishiramji's conversation with the city, it was concluded that we no longer need to go with the Committee of Adjustment for this project and a re-zoning is required. Hence, we are preparing the application for the same.

Kind Regards,
