Attn: Clara Vani – Interim Secretary Treasurer, Committee of Adjustment

**Re: Committee of Adjustment - Minor Variance Application
2548 Embleton Road
Brampton, Ontario
(GWD File: 2743.00)**

Dear Clara:

Gagnon Walker Domes Ltd. (GWD) acts as Planning Consultant to 2778830 Ontario Ltd. the Registered Owner of 2548 Embleton Road, in the City of Brampton (hereinafter referred to as the “subject site”).

In support of the Committee of Adjustment – Minor Variance Application, GWD is pleased to submit the following submission package:

- One (1) completed application form (Committee of Adjustment Minor Variance);
- One (1) Cover Letter, prepared by GWD dated September 5, 2023; and
- One (1) copy of the Minor Variance Plan, prepared by GWD dated September 1, 2023.

Subject Property & Surrounding Area

The subject site measures approximately 1.99 hectares (4.92 acres), with a street frontage of approximately 61.60 metres (202.09 feet) along Embleton Road. The property is currently occupied by a commercial building (formerly the Prince of Wales Country Market, Bakery and Garden Centre; now banquet hall and retail), a residential dwelling and a small exterior building.

Surrounding land uses generally include single detached residential, open space, agricultural and commercial uses.

TAB 1 includes Air Photos from Google Earth of the subject site and area context

Planning Analysis

A Committee of Adjustment Minor Variance Application is being submitted to the City of Brampton seeking relief from the Zoning By-law in order to permit the following additional use on the subject site: 1) Banquet Facilities (Banquet Hall).

A Banquet Hall use is proposed for the southern portion of the subject site, aligning with the Service Commercial Zoning designation of the subject site. A banquet hall use operates from a portion of the former Prince of Wales Country Market building (approximately 549 square metres (5,904 square feet)), as well as an outdoor tent space measuring 75 square metres (as illustrated on the concept plan sketch included with this application). A portion of existing building is also utilized for a retail store space, measuring approximately 46 square metres (500 square feet). The existing residential building will remain for residential purposes.

Parking has been provided in an organized manner, with proper site circulation provided. The parking provided meets, and exceeds, the required parking in keeping with the parking standards of Zoning By-Law 270-2004.

The proposed Committee of Adjustment Minor Variance Application has been analyzed in the context of the governing planning documents. The following represents a summary of the highlights of the Planning Analysis.

TAB 2 includes the proposed Minor Variance Plan prepared by Gagnon Walker Domes Ltd. dated September 1, 2023.

City of Brampton Official Plan, September 2020

The City of Brampton Official Plan (BOP) designates the subject site as '**Residential**' and as being located within a '**Community**', with a '**Corridor Protection Overlay**'. Uses permitted on lands designated **Residential** are predominantly residential; including, a full range of dwelling types; ranging from single detached houses to residential high-rise apartments. Complimentary uses which are permitted within the Commercial, Institutional and Public Uses designation of the BOP may be permitted subject to specific Secondary Plan policies/designations; including but not limited to local retail centre, neighbourhood retail, convenience retail, or highway or service commercial uses (Policy 4.2.1.1).

The Bram West Secondary Plan (Area 40a) designates the portion of the subject site that is subject to this application '**Community Centre**'. According to Policy 3.2.22 of the Secondary Plan Uses permitted on lands designated **Community Centre** on Schedule SP 40(a) shall permit schools, daycare facilities, convenience commercial uses, places of worship, libraries, fire/ police and related community service facilities; small scale office uses, uses permitted within the Employment Estate designation, and health or medical clinics. Low rise multiple dwelling uses and residential care facilities may be permitted within the Community Centre designation provided such uses are accessory to the permitted community service uses.

The requested variances reflect a use which is similar to uses (commercial) envisaged for the subject site, as reflected in the permitted uses, including on a site designated for commercial uses in the Secondary Plan. The variances reflect the current layout of the site, including location and layout of buildings, drive aisles and landscape open spaces. The area of the subject site designated Commercial (Community Centre) in the Secondary Plan and Service Commercial in the Zoning By-Law is sufficient in size to accommodate the required parking.

It is our opinion that the proposed minor variances and use of the subject site for Banquet Facilities (Banquet Hall) conforms to the Official Plan.

Zoning By-law 270-2004

The subject site is zoned both '**Service Commercial Section 596 (SC-596)**' and '**Agricultural (A)**'. The portion of the subject site that is subject to this application is zoned '**SC-596**'.

The '**Service Commercial – SC-596**' Zoning designation permits only the following: a standard, dining room, fast food and take-out restaurant excluding a drive-through; a convenience store; a supermarket; a farm produce stand; a dairy bar; a retail establishment; a garden centre sales establishment; a custom workshop; a parking lot; and purposes accessory to the other permitted purposes.

The requested **Banquet Facilities (Banquet Hall)** use is similar to the permitted commercial uses such as restaurant and retail establishment, as both are service commercial uses that serve the broader public, generate similar parking requirements, including hosting events such as weddings and other similar functions.

It is our opinion that the proposed variance(s), including the use of the subject site for **Banquet Facilities (Banquet Hall)**, is in keeping with the intent of the Zoning By-law for service commercial type uses.

Desirable and Appropriate Development of the Land

The proposed variance will facilitate the use of the subject site for a Banquet Hall which aligns with the Service Commercial Zoning designation of the subject site. The proposed Banquet Hall use is also keeping with the policies of the City of Brampton Official Plan and Bram West Secondary Plan (Area 40a) and is compatible with the residential and commercial uses within the vicinity of the subject site. The proposed use of the subject site will not adversely impact the use and operation of surrounding lands.

In this regard, we are of the opinion that the proposed variances are considered desirable and appropriate for the development of the land.

Minor in Nature

The proposed Banquet Facilities (Banquet Hall) use is in keeping with the uses in the surrounding area and meets the general intent and purpose of both the Official Plan and Zoning By-Law. The proposal makes efficient use of existing, available municipal services

and is deemed appropriate and desirable. The form and function of the subject site reflects the current use and layout, and does not impact the form and function of the surrounding lands.

In this regard, we are of the opinion that the proposed variances are considered minor in nature and should be supported.

Should you require additional information or have any questions, please do not hesitate to contact the undersigned.

Yours truly,

**Andrew Walker, B.E.S., M.C.I.P., R.P.P.
