> Dear Sirs.

> We are the owners of 130 Advance Blvd. Directly adjacent to the subject property of this application.

> We are concerned that an automobile impound facility at 120 Advance Blvd. will reduce the parking available on that site for the existing restaurant/night club in the front of the building. We have had many issues on Friday and weekend evenings with people parking on our property and leaving beer bottles and cans and other garbage.

> We would like to be notified of the decision of the Committee.

> Thank you.
