Chandra Urquhart, Legislative Coordinator, noted that Patrick Doran, Chair, was in attendance at the meeting. He was listed in error as being absent on the members attendance list on the second page of the minutes.

5. Presentations\Delegations

5.1 Presentation by Craig Kummer, Senior Manager, Traffic Services, re: Automated Speed Enforcement (ASE) Overview

Craig Kummer, Senior Manager, Traffic Services, provided an overview of the Automated Speed Enforcement (ASE) program. He noted that ASE is 'an automated system that uses a camera and a speed measurement device (radar) to enforce speed limits on our roadways'. The following was highlighted:

- Vision Zero Emphasis Areas
- History of ASE in Brampton
- Introduction of Bill in May 2017 to date Camera went live - September 2020
- Vendor - Australian Headquarters serving 15 countries
- How ASE works
- How pictures are processed
- ASE threshold speed - not public information
- Signage indicate approach to an ASE camera
- Five camera location areas in Brampton - details available on City's website
- Criteria for location of camera based on several factors
- How to avoid a ticket - limit distractions and drive the speed limit
- Next steps include a report to Council in early 2021

Committee discussion took place. Mr. Kummer responded to questions of clarification from Committee which included:

- Confirmation that ticket is given to license plate owner with no impact on points or insurance - include commercial vehicles
- Status of the red light cameras which is overseen by the the Region of Peel on Regional Roads
- Owner of stolen vehicles who receive a ticket will have to attend court
- Owner of commercial vehicles will be ticketed
- Legislation requires that signs have to be posted at locations before they are operational

- Some locations have seen a decrease in speed by approximately 10kh
- Details on the number of tickets served - approximately 6,000 tickets - Ray Lawson Boulevard has received most number of tickets
- Highest speed noted was 99kh in a 40kh zone
- Budget allocation for the program - approximately \$1.2 million annually

The following motion was considered:

9. Changes/Updates to School Boards/Student Population

Krystina Koops, Dufferin-Peel Catholic District School Board and Trustee Kathy McDonald, Peel District School advised that Kindergarten grades have seen a significant decline in student enrollment.

10. Other/New Business

- 10.1 Discussion at the request of Max Kazman, Vice-Chair and Charles Gonsalves, member, re: Whether there is a need for Site Inspections with Schools Operating at Fifty Percent Capacity

Max Kazman, Vice- Chair, noted comments on behalf of Charles Gonsalves, member, and himself. He questioned the need for site inspections at school sites given that schools are operating at reduced capacity. He advised that no significant traffic or safety issues were observed at the inspections recently undertaken, traffic volume was almost 'nonexistent' with only thirty to forty percent of the students attending school. He viewed observations at school sites at this time as unrealistic and suggested that site inspections not be undertaken until schools are fully operational.

Committee noted the comments provided. A motion was introduced as follows:

That site inspections not be undertaken by the Committee until attendance at schools have resumed to full capacity.

Committee discussion followed. It was suggested that the motion be amended to add the following:

That site inspections be undertaken when it was deemed to be a safety matter.

The motion in its entirety was considered as follows:

SC044-2020

1. That the discussion at the request of Charles Gonsalves, Member, and Max Kazman, Vice-Chair, to the Brampton School Traffic Safety Council meeting of November 5, 2020, re: **Whether there is a need for Site Inspections with School Operating at less than Fifty Percent Capacity**, be received; and,
2. That site inspections not be undertaken by the Committee until attendance at schools have resumed to full capacity, unless it was deemed by the Committee that it was a safety matter concern.
