I am writing to request the deferral of our minor variance application, number A-2022-0268 for 2267 Embleton Rd, from December 2023 to no later than April 2024. Although we have submitted the SPA requirements, we still lack a clear vision regarding the additional variances that need to be included or any revisions required for our previous application.

We sincerely apologize for any inconvenience this may cause and appreciate your understanding in this matter.

Thank you for considering our request.
